GENERAL RULES & REGULATIONS

1. Match Format & Fair Play

- The format will be determined based on the number of participants.
- **Exploiting Game Vulnerabilities:**
 - The use of glitches, bugs, or exploits is strictly prohibited.
 - Any discovered issues must be reported to FREE FIRE MAX rather than being exploited or shared.

2. Player Conduct

- **Respect & Sportsmanship:**

- All participants must uphold a respectful and professional attitude.
- Discrimination, harassment, or offensive behavior based on race, gender, nationality, or other personal attributes will not be tolerated and may result in disqualification.
- **Teaming:**
 - Teaming in solo or non-team matches is strictly prohibited and will lead to a ban.

3. Eligibility & Equipment

- Only registered players/teams are allowed to participate.
- The tournament is strictly for mobile players—emulators and iPads are not permitted.

4. Match Access & Security

- Room credentials (ID and password) will be shared **5 minutes before the scheduled match time**.
- Players **must not** share the room code with non-registered participants.

5. Technical Responsibility

- Players are responsible for their own hardware and internet connectivity.
- No rematches or delays will be provided due to technical issues on a player's end.

Failure to comply with these rules may result in penalties, disqualification, or a tournament ban.

Best of luck to all participants! Compete fairly and may the best player win.
